# Risk Disclaimer

## High-Risk Investments

Trading in foreign exchange (Forex), cryptocurrencies, commodities, and other leveraged financial instruments involves a **high level of risk** and may not be suitable for all investors.

Leverage can work both in your favor and against you. Before engaging in trading, you should carefully consider your investment objectives, level of experience, and risk tolerance.

There is a possibility that you may sustain a loss of part or all of your initial investment. Therefore, you should not invest funds that you cannot afford to lose.

If you have any doubts, you should seek advice from an independent financial advisor.
